

Museum School Voluntary Supply List

We understand this is a substantial list and anything you can gather will be greatly appreciated. If you're able to sponsor another student in need, any extra materials would also be greatly appreciated. If you are not able to help with any of these items at this time, please do not worry. Every child will be provided with the tools they need for the classroom whether or not they are able to provide anything on this list.

Kindergarten and First Grade Supply List

These are community items that will benefit all the children in the classroom:
